

OLDEST PRIEST IN STATE OF COLORADO DEAD

REV. GABRIEL USSEL SAID FIRST
MASS AFTER VISIT OF
CORONADO

NOTED FOR HIS PIETY

Bishop Matz and Many Clergymen
Gather at Walsenburg to Attend
Funeral of Beloved Prelate—Once
Stationed at Santa Fe.

Denver, Colo., Oct. 20.—Rev. Gabriel Ussel, the oldest secular priest in Colorado, and the celebrant of the first mass said after the visit of Coronado, is dead. Today Bishop Matz and all of the prominent priests of the diocese went to Walsenburg to pay a fitting tribute to the man who for fifty-three years worked for the up-building of the Catholic church in Colorado and New Mexico. History credits Father Ussel with saying mass near the spot where he was today buried, in 1856, shortly after he was ordained to the priesthood.

Before that time the few settlers of Catholic faith who were administered, had to travel to New Mexico where from Santa Fe missionaries were sent north, south, east and west to look after the spiritual wants of the pioneers.

Father Ussel refused to believe that his day of usefulness was over, even when his advanced years brought him infirmities that made it impossible for him to attend to his many missions. He welcomed a young assistant, but would not give up the actual administration of affairs. He died Sunday afternoon, seated at a table working over some papers connected with his duties. He was 78 years of age.

The pastor of Walsenburg church came to America from France with Father Joseph P. Machebeuf in 1854. Father Machebeuf went to Ohio and Ussel was sent to Santa Fe. Later when Machebeuf was made bishop of the newly created diocese of Denver Archbishop Lamy of Santa Fe sent him Father Ussel for an assistant. Father Ussel was assigned to Walsenburg, where, on a mission from Santa Fe, he had previously become known to the people. In 1856 he began his active pastorate there.

A few years ago when his golden jubilee as a priest was an occasion for rejoicing the other priests of the Denver diocese considered presenting him with a purse, but on mature deliberation decided that the money would be distributed among Father Ussel's poor and that he would be none the better off for it. Instead they gave him a magnificent ostensorium for use in the sanctuary of his church.

At the solemn high mass of requiem today at Walsenburg, Bishop N. C. Matz officiated. The request of the parishioners of Father Ussel

NO DYSPESIA OR UNDIGESTED FOOD

There would not be a case of indigestion here if readers who are subject to stomach trouble knew the tremendous anti-ferment and digestive virtue contained in Diapiesin. This harmless preparation will digest a heavy meal without the slightest fuss or discomfort, and relieve the sour, acid stomach in five minutes, besides overcoming all foul, nauseous odors from the breath.

Ask your pharmacist to show you the formula plainly printed on each 50-cent case of Pape's Diapiesin, then you will readily understand why this promptly cures indigestion and removes such symptoms as heartburn, a feeling like a lump of lead in the stomach, belching of gas and eructations of undigested food, water brash, nausea, headache, biliousness, and many other bad symptoms; and, besides, you will not need laxatives to keep your stomach, liver and intestines clean and fresh.

If your stomach is sour and full of gas or your food doesn't digest, and your meals don't seem to fit, why not get a 50-cent case from your druggist and make life worth living? Absolute relief from stomach misery and perfect digestion of anything you eat is sure to follow five minutes after, and, besides, one case is sufficient to cure a whole family of such trouble.

Surely, a harmless, inexpensive preparation like Diapiesin, which will always, either at daytime or during night, relieve your stomach misery and digest your meals, is about as handy and valuable a thing as you could have in the house.

was that he be interred near his church, and Bishop Matz consented to this. Usually the diocesan clergy are interred at Mount Olivet, near Golden. The church at Walsenburg is one of the finest in the state and was built through the efforts and zeal of Father Ussel.

It's A Top Notch Doer

Great deeds compel regard. The world crowns its doers. That's why the American people have crowned Dr. King's New Discovery, the king of throat and lung remedies. Every atom is a health force. It kills germs, and colds and la grippe vanish. It heals cough-racked membranes and coughing stops. Sore, inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. Geo. More, Black Jack, N. C., writes "It cured me of lung trouble, pronounced hopeless by all doctors." 50c, \$1.00. Trial bottle free. Guaranteed by all druggists.

It would take more than a surgical operation to take the conceit out of some men.

For Chapped Skin

Chapped skin whether on the hands or face may be cured in one night by applying Chamberlain's Salve. It is also unequalled for sore nipples, burns and calds. For sale by all dealers.

It is not only in cold weather that some people make a cloak of their religion.

NEW IRRIGATION CONGRESS BOARD OF CONTROL NAMED

Pueblo, Colo., October 20.—The board of control for the eighty-ninth national irrigation congress that will meet here in September, 1910, has been formally chosen, and announcement is officially made of its personnel.

The board numbers 60 members, most of whom are from Pueblo, others from the state of Colorado at large, especially from irrigated centers, and the Arkansas valley, in which this next congress will be held, has a strong and liberal representation on the board.

The board includes both United States senators from Colorado, and governor, the member of congress from the Pueblo district, the mayor of Pueblo, the leading financiers and business men of that city, the leading agriculturists, and sugar men of the Arkansas valley, with representatives from the western slope of the state.

The first formal meeting of the board has been held and actual business connected with the plan for making the 1910 congress at Pueblo the greatest ever held, has been started. HEAVY STOCK RUN AT KANSAS CITY

Kansas City Stock Yards, Oct. 20.—

The cattle run here last week was heavy at 91,000 head, including 11,000 head of calves, one of the big weeks of the season. The market was active all week, as the run was evenly distributed through the week, and at the close of the week ranged from steady to 15 lower on the various classes of range cattle, as compared with close of previous week. The supply Monday was 23,000 head, made up largely of cattle from distant points, and the market is steady to a shade lower, the main bear influence today being an excessive supply of ranchers at Chicago and Omaha. Panhandle cows are plentiful here today, a train of the "flat iron" cows at \$3.35, others at \$3.45 and \$3.55. A train of Matador cows arrived late and were expected to bring \$3.50, at which price they sold last week. Shipments of X. I. T. cows last week brought \$3.50 and \$3.60, and New Mexico cows \$2.90 to \$3.50. Panhandle beef steers have sold lately at \$3.75 to \$4.40, stockers and feeders, \$3.40 to \$4.60, including some stockers on exhibition at the show at the latter price. Colorado beef steers sold Monday at \$4.30 to \$4.60, cows \$3.30, two trains of the Selber Cattle company steers last week at \$4.65, cows in the shipment, \$3.85. Some fancy Colorado feeders in the show sold at \$5.60 and \$5.75, others on the open market at \$4.35, stockers, \$3.85; Montana cows at \$4.00. Indications point to cattle receipts smaller than usual balance of October, and the market should hold up good.

Sheep and lamb receipts last week, 54,000 head, market 15 to 30 higher, with a small reaction at the close of the week. The run was 9,000 head Monday, market steady, some medium class lambs from Heber City, Utah, Monday at \$7.00, and choice lambs worth around \$7.10. The top last week was \$7.15, with fair to good lambs selling at \$6.75 to \$7.00, wethers and yearlings, \$4.50 to \$5.00, ewes, \$4.10 to \$4.35. Feeding lambs bring \$5.75 to \$6.25, with an outlet for them practically unlimited, feeding wethers and yearlings, \$4.25 to \$4.75, almost on a parity with killing stock, breeding ewes at \$4.50 to \$5.00, stock ewes around \$3.00. The run so far this month is above same period last October, and good runs are expected the balance of the month.

Public abuse demonstrates that a man may literally be kicked into prominence.

CHILD COVERED WITH HIVES

Tormented Two Months—It Itched and Irritated and Scratching Made It Worse—Little Sufferer in Terrible Plight—Several Treatments of No Avail—But at Last the

DREADFUL DISEASE IS CURED BY CUTICURA

"My six year old daughter had the dreadful disease called hives for two months. She became affected by playing with children who had it, although we did not know it. By scratching she caused large sores which were irritating. Her body was a complete sore but it was worse on her arms and back. We employed a physician who said medicine but it did not help her and I tried several remedies but without avail. Seeing the Cuticura Remedies advertised, I thought I would try them. I gave her a hot bath daily with Cuticura Soap and anointed her body with Cuticura Ointment. The first treatment relieved the itching and in a short time the disease disappeared. I recommend the Cuticura Remedies for all skin diseases and give them my greatest praise. Mrs. Geo. L. Fridhoff, R. F. D. 1, Warren, Mich., June 30 and July 13, 1908."

Boy's Back Raw

From Shoulder to Shoulder. Scratched till Blood Ran. Cured by Cuticura.

"My son's back was raw from shoulder to shoulder and the width of your hand. I really did not think he ever would be cured. He would scratch until the blood would run and he was like a raw piece of meat. I used different kinds of things but each kind made it worse until I read of the Cuticura Remedies, and one cake of Cuticura Soap and one box of Cuticura Ointment cured him like magic. I would not be without it in the house and I have recommended it to all my friends. Mrs. J. D. Maxwell, 6th St., Woodside, Long Island, N. Y., May 21, 1908."

Complete External and Internal Treatment for Every Form of Infantile Colic and Adulthood. Cuticura Ointment (50c) to Cleanse the Skin, Cuticura Soap (50c) to Heal the Itch and Cuticura Resolvent (50c), or in the form of Cuticura Cooled Pills, 25c, per trial of 60 to Purify the Blood. Sold throughout the world. Notice Drug & Chem. Corp., Sole Props., Boston, Mass.

Let Me Tell You Something

A woman who is sick and suffering, and won't at least try a medicine which has the record of Lydia E. Pinkham's Vegetable Compound, is to blame for her own wretched condition.

There are literally hundreds of thousands of women in the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over thirty years ago by a woman to relieve woman's suffering.

Read what these women say:

Camden, N. J.—"It is with pleasure that I send my testimonial for Lydia E. Pinkham's Vegetable Compound, hoping it may induce other suffering women to avail themselves of the benefit of this valuable remedy."

"I suffered from pains in my back and side, sick headaches, no appetite, was tired and nervous all the time, and so weak I could hardly stand. Lydia E. Pinkham's Vegetable Compound made me a well woman—and this valuable medicine shall always have my praise."—Mrs. W. P. Valentine, 902 Lincoln Ave., Camden, N. J.

Erie, Pa.—"I suffered for five years from female troubles, and at last was almost helpless. I tried three doctors but they did me no good. My sister advised me to try Lydia E. Pinkham's Vegetable Compound, and it has made me well and strong. I hope all suffering women will just give Lydia E. Pinkham's Vegetable Compound a trial, for it is worth its weight in gold."—Mrs. J. P. Endlich, R. F. D. 7, Erie, Pa.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound had the virtue to help these women it will help any other woman who is suffering from the same trouble.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice—it is free and always helpful.
